

LE08 – Professional English Linguaskill (Business)

Reading and listening Preparation

The Course

LE08 is designed to consolidate and improve your English skills to a C1 level or superior in accordance with the CEF (Common European Framework). We will be studying English for professionals in the context of business with topics such as *Management, Competition, Advertising and Sales, Finance, the Work Environment and Corporate culture*.

Classes

There are *3hrs of Td per week-2 hours face to face in class and one-hour asynchronous* comprised of Workshops, Feedback and speaking tests.

You will receive an Email informing you when the Workshops on MOODLE will open and close. There are 12 workshops for the semester.

The teacher of your TD will let you know when feedback sessions and speaking tests are to be scheduled.

The Exam

LE08 will prepare you for the **Linguaskill exam (Business)** where you will have to obtain a minimum of B2+ in either **listening or reading to receive your diploma**. Throughout the LE08 course you will be tested on **listening, reading and grammar knowledge or speaking skills during an interview**. We will also be looking at exam strategies as well as exam practice in class. There will be two mock tests which are actual BULATS (Linguaskill) paper tests throughout the semester.
